

News & Features, Vol. 2: More Great Writing Examples from an Award-Winning Journalist

As with the first volume of this remarkable series, award-winning writer Michael B. Davie shares with readers some of the outstanding news and feature articles he has created during a journalism career spanning decades. The veteran journalist is a master of this artform, seemingly effortlessly creating stories that are at once compelling, engaging, thought-provoking, well-written and well-researched. The News & Features series of books presents a small but interesting selection of the author's work that in total encompasses more than 10,000 articles published in The Toronto Star, Hamilton Spectator, Globe & Mail, Montreal Gazette, Vancouver Sun and many other major newspapers coast to coast. Commentary by the author is also included throughout. This is an insightful look at the work of one of Canada's leading journalists.
