Studienarbeit aus dem Jahr 2002 im Fachbereich Medien / Kommunikation - Sonstiges, Note: 1,7, Bauhaus-Universität Weimar (Studiengang: Medienkultur), Veranstaltung: Proseminar: Cross-Dressing, 31 Quellen im Literaturverzeichnis, Sprache: Deutsch, Anmerkungen: Kommentar des Dozenten: Eine hervorragend recherchierte Arbeit, die viele wichtige Hintergrundinformationen und interessante Interpretationsansätze liefert. Die Ausführungen zum Androgynie-Konzept hatten noch besser theoretisch fundiert werden können (neuere Gender-Theorie), hier arbeiten Sie leider nicht genau genug (auch wenn Ihre Hinweise auf alte philosophische Vorstellungen sehr gewinnbringend sind). Die Auswertung und Analyse der Videoclips ist überzeugend und gut gelungen, der Vergleich der beiden Clips mit ihren unterschiedlichen visuellen Inszenierungsstrategien hatte noch ... , Abstract: ... sorgfältiger bearbeitet werden können. Eine höchst interessante und ansprechende Arbeit! Einleitung: Nur wenigen Zeitgenossen wurde dermaßen viel Aufmerksamkeit zuteil wie Marilyn Manson. Die Menschen lassen sich regelrecht in zwei Gruppen teilen, in die, die ihn lieben und die, die ihn hassen. Dazwischen gibt es nicht viel. Der Name ist Programm. Manson (eigentlich Brian Warner) benennt sich nicht nur zweigeschlechtlich, er gibt sich auch sonst gerne in der Öffentlichkeit androgyn. Alle Bandnamen sind zusammengesetzt aus dem einer amerikanischen Pop-Ikone, zumeist weibliche Schönheiten wie Marilyn Monroe oder Twiggy, und einem brutalen Serienkiller, wie Charles Manson oder Ramirez. Er spielt mit den Geschlechtergrenzen, wo er nur kann. Mit jedem Album, das er und seine Band herausbringen, wechselt er seine Identität oder besser sein äußeres Erscheinungsbild, mit dem er sich dann völlig identifiziert. Es

sagt von sich selbst, dass er alle zehn Minuten eine andere Person ist. Alles bei Marilyn Manson ist Inszenierung, ist gewollt, ist Kunst. Die Band ist nicht nur für die Musik da und um den Rest kümmern sich d
