

A Dance Out Of Time

Being a ghost hunter becomes dangerous and personal when Georgina Claythorne tries to stop the ghosts haunting her family's bed and breakfast inn in Ocean Grove, New Jersey. Eighteen year old, Georgina Claythorne teams up with her boyfriend, Jake Hanlon, once again to investigate a haunting in Ocean Grove, New Jersey. As she works to help her father in the newly renovated Claythorne Bed and Breakfast Inn, Georgina discovers a connection between the haunting of an Irish servant girl from 1914 and her ancestors. She not only must convince her father of the need to get rid of the ghosts before its too late, but she must also trust Samantha, a mysterious guest with her own link to the hauntings.
