

The C Family/La Famiglia C: An Italian/English Dual Language Story (Italian Edition)

Carrie and Cole were twins, and hated the fact that both of their names started with the letter C. Why, you ask? Were they allergic to specific letters of the alphabet? Were they just whining about it? No, it was nothing like that. Carrie and Cole hated it because they had three other siblings. And each one of them, like everyone in the family - dog included - had a name that started with C. So now, follow the C Family as they go on the trip of a lifetime...or at least try! The C Family / La Famiglia C (An Italian/English Dual Language Story) This book is for anyone that is learning Italian or English, young or old, beginner or expert. This Italian/English story is presented in three versions. The first version is an alternating Italian/English format, where the reader can first read a paragraph in Italian, and then follow along in English. The second version presents the entire story first in Italian, and the third version, in English. In this way, the reader can practice their comprehension with the full story.
