

The Everything Guide to Online Genealogy: Trace Your Roots, Share Your History, and Create Your Family Tree (Everything®)

Use online tools to discover your family's history! Thanks to the overwhelming number of genealogical records available online today, it's never been easier to trace your family history and find your roots. But where do you begin? With all that information, it can be impossible to know where to start! In *The Everything Guide to Online Genealogy, 3rd Edition*, genealogy expert Kimberly Powell guides you through the process of finding your ancestors, helping you: Effectively search various websites Decipher census data and other online records Choose the best way to share data with family members Connect with other genealogists through social media Packed with tips on using free databases, new websites, and a growing number of genealogy apps, *The Everything Guide to Online Genealogy, 3rd Edition* has everything you need to scour the Internet and find your ancestors, going back generations!
